Patrolling Radios survey – Have your say!

As the operational season has ended, we would like to hear from patrollers' experiences with the new radio handsets, radio training, the radio network and accessories over the last season.

LSV have provided an opportunity to express your thoughts via this link -

<https://lifesavingvictoria.wufoo.com/forms/mzqpzqq1uvzpu4/>

The link takes you to a short questionnaire where you have an opportunity to express likes and dislikes directly to those developing the handheld radio sets, network and associated products for the next season.

This advice will not only be used to guide allocation to Gunnamatta but also assist the rest of the organisation.

Please submit their responses by **Sunday the 25th of June**. We will provide a summary of the responses received after the survey ends.

Thank you

Toby Dobell

Club Communications (equipment) officer

New Training courses at LSV and other Clubs.

Each week we will continue to highlight the many courses that are on the agenda from LSV (at State Centre – Port Melbourne) and at other Clubs. All of these courses are on the Member Training from Anywhere portal

Our Club goal is to have over 50% of our patrollers holding current First Aid and Advanced Resus qualifications before the start of next season.

Date	Location	Course
17 & 18 June 2023	Frankston LSC	Training Officers Certificate
17 June 2023	LSV State Centre	ART & First Aid - ARTFA
26-27 June 2023 (Monday and Tuesday)	Fairhaven SLSC	Training Officers Certificate

All of these courses are open now. If you wish to attend one of the Training Officer courses please give me a call and we can discuss. The Club will run SSV courses at the end of the season for those that need to upskill to the new qualification. SRC's are eligible to attend ART/FA courses. NON patrolling Members (Nipper parents) may also attend these courses.

In order to check your qualifications, go to your individual member account inside the SLSA Members portal and search your qualifications. It will show you your current qualifications and your last proficiency date.

While you are there, check that your Skills Maintenance has been updated. Your proficiency and expiry for Bronze Medallion should be there. If it looks as though it has not been updated, please let us know via email:

training@gunnamattaslsc.com.au

We will update the schedule of courses as they are added to the LSV listing.

See you soon,
